Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be Sind the prescription counter in the city in which I now dwell; I have cured more perple of various diseases than all the physicians in Louisville put together. Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medicines are a success-a great success. Louisville is not large enough for me to have a competitor. I monepolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their gans have been silenced. and their efforts have been abortive. My Medicines are good and answer the purpose-that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established. I believe my Bucha and Broully of Potassium is the best article now in the market for the cure of all diseases of the urinar, or genito-unrinary organa, such as Noctur-ual incontinence, irritability of the Bind ler and Urethra, Inhammation of the Pelvis of the Kidney, and all that class of diseases ! FOR THE CURE OF

AGUE AND FEVER CHILLS AND FEVER

The proprietor of this celebrated medieine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He rafers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a Southern Express Company great many cases a single dose has been sufficient for a cure, and whole families; have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller dozes for a week or two after the disease has been checked, more especially in oct 12 difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowele in good order; should the patient, however, require a cathartie medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG- Wholesale Grocer, Forwarding "TRALE FAMILY PILLS will be sufficient.
